

**CONDO RENTAL APPROVAL
FOR HIGHLAND LAKES**

If the home you are renting in Highland Lakes is a member of a PUD or Condo Association, we must have this approval form returned from the Condo, if Pre-Approval is required by them.

Please check one of the following:

- Rental approval is required by the Condo or PUD
- Rental approval is not required by the Condo or PUD.

We have a list of all the Condos advising if we need or do not need their approval prior to renting the unit. (Front office check the list)
