

## HOMEOWNERS ASSOCIATION OF HIGHLAND LAKES

# Committee Volunteer Interests and Application

Volunteerism, the reliance on volunteers to perform services for the betterment of the community, is woven deeply into the tapestry of day-to-day life in the Highland Lakes community. For the individual who is involved in voluntary service, the rewards are extraordinary. Volunteering is a chance to give the best of yourself and, the benefits of working on behalf of people in your community can be 'psychic income'. If you think carefully about yourself and choose an activity to which you relate meaningfully, you are very likely to have an energizing experience and one from which you will benefit in many ways.
